

This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

### Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

- + *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
- + *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
- + *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
- + *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

## PREFACE.

After the MS. has been in the hands of the printers more than three years (the delay and slow progress having been accounted for,) we commence the publication of that part of the SHELDON MAGAZINE, which comprises the list.

This is not the promised work, but a cheap proof edition, of the list, which we send to subscribers, and others, for corrections, or additions.

We rely upon their kindness to examine those parts within their acquaintance, and to furnish those corrections and additions in their power.

## EXPLANATIONS.

By referring to the first index, of sons-in-law, a family may be readily found. The local index cannot now be depended on, in all cases, as some have changed their residence, of which we have no information.

Every descendent has a number. The numbers are all placed mathematically; \*100 upon each double page. The last number by cutting off the 00, being the number of the page: so that all the numbers, except the last, will be found upon the page preceding the hundreds in the number: as, all below 100 on the first page; above 500 and below 600 on the sixth page. Hence 01 with the hundreds will always be found on the top of the left side; 25 at the middle, 50 at the bottom, 51 at the top right side, 75 at the middle. To facilitate tracing descendants, the reference designates the side of page; reference to the right side having r added. A \* instead of a reference figure, denotes descendants whose names we have not.

■ We have been collecting materials, at times for nearly 20 years. When first projected, it was seen the work would be heavy. Every unnecessary word and figure is avoided. On account of the labor and expense, the month and day of births and deaths are usually omitted. For the same reason the authorities are not now given. Some of these will be in the historical and biographical notes.

Where there is doubt, a ? is added.

While these sheets are passing, the Editor being much of the time at a distance from the press, the proof sheets cannot be read by him, with copy. Typographical errors therefore occur.

Our thanks are tendered to publishers and others who have sent us works of a kindred character. These will be noticed in due time; and their attentions will be reciprocated.

When sufficient time shall have been given for the present edition of the list to be corrected, and the portraits to be engraved, it will be revised, and the regular publication of the work commenced.

Names of subscribers and donors will be published and receipts acknowledged.

As the expenses attending this work have been, and must continue to be considerable, before it can be issued in its revised and corrected form, our thanks are specially tendered to those kind friends who have advanced the subscription price, or funds.

Will friends procure and forward more names as subscribers.

☞ MESSRS. BRAINARD & BURRIDGE, of Cleveland, execute our autographs so admirably, that, by way of experiment, we sent them our portrait—painted by Hanks in 1847, for a wood cut—which we purpose to give at a future time.—They will recognize the picture, and pronounce the outline perfect, who have seen the Editor writing a letter while carrying on a conversation—lifting up the head and looking at his auditor, the pen finishing a word half written. The price of cut is \$20. They have contracted to supply perfect fac similes of autographs for \$1 each.

☞ Correspondents are requested to add their Number to their names; and also add the Number to his name of any one concerning whom they write.

☞ The following have paid \$3, in advance: Edmund <sup>3544</sup>, *Copenhagen, N. Y.*, Mrs. M. Bradley <sup>5135</sup>, *Granite, Cal.*, Jos. <sup>4321</sup>, *Fairhaven, Vt.*, Z. R. <sup>3990</sup>, *Hampden, O.*, Chas. G. French, *Indianapolis, In.*, Mrs. Sarah Arnold, *Manchester, N. Y.*, Mrs. H. After the proof of page 78 was read by Ed. and marked, the printer did not discover the error omitted to correct, until most of the form was printed. The types increased the three sermons to four.

They were DIVINE PROVIDENCE: The ITINERANT MINISTER, his  
Work and Reward: DIVINE BENEVOLENCE 7th Edition.

PRINTED AT THE JOURNAL OFFICE.  
1857.

☞ The next No. will complete what we intend to publish in this edition of the list.

☞ Will our friends inform us of and changes in P. O. address, of families and by birth, marriage, or death: and correct the errors in the published list and supply omissions and forward names of new subscribers, without delay.

The price for engraving portraits is from \$20 to \$50 according to the style and finish.

For a fac-simile of an autograph, \$1.00.

We renew our suggestion and desire those among our old or new subscribers for whom it is perfectly convenient, to advance their subscription, or make it a loan, until we can thoroughly revise and print the first Number.

Miss Ruth Bradley Sheldon sends several additions and corrections to the Sheldon lineage as published in the June issue. The name of the daughter of Timothy<sup>3</sup> and Rebecca Sheldon (see page 34) was Wealthy Ann. Also the name of another son, Jonathan, the seventh child, should have been given after the name of Benjamin, and before that of James. Sarah Greenwood, wife of Benjamin<sup>4</sup> Sheldon (see page 34), was a daughter of Rev. John Greenwood of Rehoboth, Mass. Mary Durfee, first wife of Jonathan<sup>5</sup> Sheldon (see page 34), was a daughter of Samuel and Mercy Durfee of Tiverton, R. I. She was born in Tiverton August 8, 1752, and died May 12, 1790. She married in 1771 in Tiverton. (See *Descendants of Thomas Durfee of Portsmouth, R. I.*, Vol. 1.) The unpublished diaries of Rev. Henry Olcott Sheldon, his grandson, give the information that Jonathan<sup>5</sup> Sheldon was born in Rehoboth, Mass., near the R. I. state line; that at the age of nineteen he went to sea, making during the following several years voyages to Portugal, Surinam, the West Indies, and South America, to the last place several times as a naval officer. After another period, during which he owned his own vessel and followed coasting, he finally settled at Granville, Mass., near Hartford, Conn. He began to preach about 1795, when he was forty-six years old; and moved to Trumbull county, O., where he and his large family lived many years, he being a pastor in Fowler, O. The diarist adds: "When past 80 years of age he is described as looking fresh as many men of 50. A man who had great liberty in talking, and used many curious similes; conversation very instructive. This good man died suddenly Aug. 8, 1835, in Vernon, Ohio, aged 86 1-2 years." Henry Olcott<sup>7</sup> and Ruth (Bradley) Sheldon (see page 35) did not spend the rest of their lives, after 1820, in the northern Ohio section, as stated, but "the greater part of the rest of their lives." The full name of Henrietta E. Foster, wife of Benjamin Olcott<sup>8</sup> Sheldon (see page 35) was Henrietta Evelyn. Edward Foster Sheldon, their son (see page 35), died 1928. Dr. Frank Milton Sheldon<sup>9</sup> (see page 35) filled a pastorate at Ann Arbor, Mich., also. The diaries of the Rev. H. O. Sheldon, listed in the references, page 36, were not from 1817 to 1822, but were from 1817 to 1882.

NOTE: This 4-page folder is a perfect example of the short form of an Extension - similar to the "Sheldon Magazine, 1855", with the addition of the Title Card, the Sheldon Family Data Card of the last ancestor shown in that genealogy, and an "Index of Spouses of his Descendants". It is the end-product of the "SHELDON Card System".

The data was typed in elite in 3 columns with the SURNAMES ending on the 26th space (or the 27th in the latest generations), the birth date on the 50th, and place of residence on the 72nd exactly, with 58 lines per page. For other details and the long form, see the card "Instructions for Photo-offset Printing of Booklets from Family Data Cards", and the "Sheldon Magazine, Vol. 7", 1957, C.S., or "Vol. V Abstract".

The above Index is the most valuable type as it gives ready entry to and from other genealogies. More details can also be found from the references shown. This folder can be pasted into those books. To make an index from your set of cards, see mimeoed card note sent out with the sample S#1013 Index Card similar to the above.

Each SHELDON line can readily print similar Extensions by S# to bring their line up to date for the record and to bind into books. Printed, Mar. 10, 1961, Buffalo, N.Y. S#5297x6-2 Carew SHELDON, Editor

## I N D E X

of M O T H E R S married to S H E L D O N s

as shown in the UNPRINTED Vol.V, p.113r - 122  
of the "SHELDON MAGAZINE, 1857",  
a Genealogical List of the SHELDONs in America,  
by S#5124 Rev.H.O.SHELDON (1799-1882)

compiled and edited by  
S#5297x6-2 Carew<sup>10</sup> SHELDON, PE (1899- )  
of 567 Potomac Ave., Buffalo 22, N.Y.

Buffalo, N.Y.

September 22, 1956

NOTES: This Index gives access to new and previously unprinted manuscript data which will be of value to genealogists or those searching for their last connection to the SHELDON-lineage data, as well as to the many descendants of female-SHELDONs carried in the "Sheldon Magazine, 1857". Please insert this at p.113 of your copy.

Since the husbands and c1850-residence of female-SHELDONs were usually shown on the line where these females first appeared, as well as in the printed "Index to Names of Men who married into the Sheldon Family" which gave the S# (indicating the page and line including the unprinted Vol.V), this new Index plus a proposed "Index of Mothers married to SHELDONs as shown in the Sheldon Magazine, 1857, Volumes I to IV", should make readily available the vast store of genealogical data compiled by S#5124 Rev.H.O.SHELDON.

Much SHELDON data is to be noted in other more recent genealogies. Such should be reported by filling out the 5"x3" Sheldon Family Data Cards and adding the family S# x - , if it is known. See the card, "Numbering System for Sheldon Magazine, 1857 & EXTENSION". Full reference to the source should be given at bottom of card.

A Reprint of the very scarce and valuable "Sheldon Magazine, 1857" with corrections of the many typographical errors as shown by the long-lost original manuscript will be made available for the 1957 anniversary.

# INDEX of MOTHERS married to SHELDONS

(Viz., daughters-in-law of last-printed family-heads.)

Their cl850 residence was usually given on the line where their husband, the male-SHELDON, first appeared in print, as well as his year of birth, the page-reference to Vol. V, and their family S#, hence all but their children.
